BE BRAVE

A Grandmaster Han's "Martial Arts Tournament"

These words used to mean so much. The term "Martial Arts" used to mean so much in itself. Master Han has revisited this in recent speeches, at testings and etc. It's funny to me how these days, the things that make martial arts great are usually the last things you see at a martial arts tournament. Honor, integrity, discipline, sportsmanship even... Humility, are things in great abundance at a Grand Master Han's tournament! I am not a good salesman. I cannot market something that I don't consider good for my students. So I feel very blessed that time and again this organization gives me all the ammunition I need to know when I encourage a student of mine to compete, I am encouraging them to do something good. Every single one of you who participated in our Northwest Arkansas tournament on Saturday helped to give me that ammunition. Thanks to the parents, who were patient and supportive all day long. Thanks to the students, who represented everything that is good about this martial art and reminded me as well as many others why we teach. Finally, thanks to the instructors, who rush, travel, judge, clean and compete to make every Youn Wha Ryu tournament a success!

I believe I see Grand Master Han's dream lived out every day. However, it's the tournament days that are the most memorable and rewarding. Thank you again to all of you for all you do.

Jeremy Fox

Coming Up

We have Arizona testing July 8 and 9th. July 23 is Northwest Arkansas testing. We also have the jujitsu seminar coming up on Sunday, July 17. We still have plenty of spots open \$50 per person. You can get all the information off the website. All participants must be 16 years old. Class starts at 2 PM.

School Spotlight: Morrilton

This month's spotlight goes to the NEW Morrilton School. It has a great new location and is open 6 days a week. Times are 6:30 M - F, 5:30 AM on Mondays, 10 AM on Saturdays, and 8 PM Advanced Classes on Monday. Testings will be held here on Saturdays, including Instructor's Course. Way to go Mrs. Holly Fox on your new location!
